

Streamline Invoice Processing and Payments with Accounts Payable Automation in the Cloud

Accounts payable relies on speed, security and 100% accuracy. So why do so many departments and SMBs still rely on outdated manual processes?

Today's accounts payable departments aren't equipped to deal with the daily flood of documents going in and out of the office. But while manual processes are slow, costly and error-prone, organizations from SMBs to enterprises—in all industries—still find modernizing accounts payable to be an even bigger challenge.

What if there was a way to update your processes without missing a beat?

ACCOUNTS PAYABLE AUTOMATION FOR XEROX® DOCUSHARE® FLEX CAN HELP YOU MANAGE INVOICES BETTER.

Accounts Payable Automation for Xerox® DocuShare® Flex is a packaged cloud content management solution designed to streamline invoice processing and payments, accelerate approvals and lower costs—at the level you need.
